Piedmont Community Band of Virginia was organized in 2016 by **Dave Detwiler**, Lead Trumpet for The United States Army Band from 1973 to 2000 and currently Principal Trumpet for the **National Symphony Orchestra Pops** and The **Smithsonian Masterworks Jazz Orchestra**. The band provides a unique experience for both local school band students and adults of any age to interact with both professional and recreational adult musicians. The community benefits as well by being entertained with live music at outdoor and indoor events during any season of the year. In addition, school band students may use the service experience on college and job applications. Invitations to play throughout the community are appreciated. We most recently played at the Veteran's Day Memorial in Luray, VA.
